Subject: Re: Shame on you

Your remarks today defending your actions were equally reprehensible by the way. There is no defense. Tell the public the real reason why you felt the need to release that statement last Friday, and redeem whatever is left of your reputation and dignity.

The recent public statement backing Donald Trump's incorrect assertions about Alabama, and the cowardly conduct of the NOAA's leadership, has been disgraceful. I support NWS's Birmingham division and the meteorologists who do a great job every day. Shame on you.
